Pursuant to 807 KAR 5:056, Section 1(11), the Public Service Commission ("Commission") issued an Order on June 11, 1984, requiring Union Light, Heat and Power Company ("ULH&P") to notify its customers of a hearing to be held on August 2, 1984. ULH&P was not required to appear at the scheduled hearing unless an appearance was requested by the Attorney General's Division of Consumer Protection or other interested parties, or by the Commission on its own motion. Furthermore, ULH&P filed an affidavit stating its compliance with the provisions of the Fuel Adjustment Clause as prescribed in 807 KAR 5:056. ULH&P also filed its monthly fuel charges for the 6-month period under review.

Following proper notice, no party of record requested ULH&P to appear at the hearing scheduled for August 2, 1984. After reviewing ULH&P's monthly fuel clause filings for the 6-month period under review, the Commission is of the opinion that ULH&P has complied with the provisions of 807 KAR 5:056.

IT IS THEREFORE ORDERED that the charges collected by ULH&P through the fuel adjustment clause for the period November 1, 1983, through April 30, 1984, be and they hereby are approved.

Done at Frankfort, Kentucky, this 17th day of September, 1984.
